

Local Governments: Sign up for MRSC's Electronic Bidding Service

Looking for an affordable way to streamline your procurement processes and reduce paperwork?

Through **MRSC Rosters**, public agencies can purchase a Bonfire electronic bidding license for just \$2,500 per seat.

Bonfire is an electronic bidding software solution used by hundreds of government agencies across the country to modernize the way they connect and work with suppliers.

Electronic bidding can significantly reduce the administrative effort involved in public bidding, increase bidder participation and satisfaction, and provide valuable reporting capabilities.

By purchasing an annual license through MRSC Rosters, agencies will be able to:

- ✔ Invite vendors to bid
- ✔ Collect sealed bids without paper or email
- ✔ Communicate with vendors for any bid addenda or questions
- ✔ Digitally unseal bids
- ✔ Review and analyze pricing tabulations
- ✔ Award the contract
